Trail Description:

The 10K (6 mile) walk is rated a 2.0 out of 5 due to the hill on 15th Street. The walk is on city streets, paved park trails and along the sea wall overlooking the Pacific Ocean. Strollers and wagons ok, but wheelchairs would be difficult due to the hill and a narrow road.

The 5K (3 mile) walk is rated a 1 out of 5. It will be on city streets and along the sea wall overlooking the Pacific Ocean. Strollers, wagons and wheelchairs ok.

Pets are OK on a leash with cleanup.

The walk is available daily.

We request that you walk from dawn to dusk only.

Information on other walks sponsored by the San Diego County Rockhoppers can be found at the club's web site:

Miscellaneous: Water and rest rooms are available at many locations along the route.
